Villa Club Ltd Booking Conditions

Descriptions

All descriptions of resorts and accommodation contained in our brochures and web site have been compiled after our own inspections. All information and prices are correct at the time of printing or up loading, but may be subject to change without notice. There may be some changes to the facilities available during the low and medium season in some resorts and facilities offered by Villa Club Portugal. All prices quoted for all accommodation, ancillary services and leisure activities are accurate at the time of compilation. We reserve the right to change prices, however, the price confirmed on your invoice for your accommodation will not change.

Accommodation

Access to accommodation is usually after 4pm on the day of arrival and clients must depart their accommodation before 10am on the day of departure. Maid service is available between two and five days a week, except on weekends and public holidays. Some one and two bedroom properties that we offer do not include daily maid service although towels are changed twice per week. With properties that include daily maid service the towels are changed twice per week and bed linen once per week. You must stipulate at the time of booking the total number of people that will occupy the property.

All accommodation has been checked to ensure they are adequately equipped for the agreed number of occupants. The accommodation in Portugal is often not built to the same standards as in the UK. Electricity or water supplies can be cut on occasions, windows are not always fitted with safety glass and pools are not always completely fenced off. We cannot be held responsible for this or any other lack of facility which is beyond our control.

Building work and noise are possible as the demand for new accommodation increases. Some of the resorts we feature are still being developed and therefore there is the possibility of building work or construction being carried out by local authorities or private developers. Many of our villas are situated in residential areas and work may begin without prior notice being given, on a neighbouring property over which we have no control. However in any event we will always do our best to inform you of the facts in advance, but this may not always be possible.

Where we are aware that such works are under way or likely to occur during your holiday, and may in our opinion significantly affect your enjoyment, we will advise you. If you are unhappy with the likely circumstances we will endeavour to offer you alternative accommodation (with you paying any additional rent if the alternative is more expensive, or receiving a refund if it costs less than the property of your first choice). If we are unable to offer you a reasonable, similar alternative accommodation, we will give you a refund of any monies you have already paid to us.

Accommodation is reserved only for the persons named on the booking form. No other persons are permitted to stay in the property without our written permission nor shall the maximum number exceed that stated in the website advertisement or advised to you at the time of booking. At least one adult in any property has to be over the age of 23. On arrival your passport may be checked and access maybe denied. Unauthorised over-occupancy can result in penalty charges and/or immediate cancellation of the right to occupy the property. We reserve the right to terminate your holiday due to your misconduct or the misconduct of anyone in your party. Properties are furnished and equipped for self-catered accommodation for the number of people that equates to standard occupancy and will be cleaned and checked before your arrival. If you have any problems or complaints, these should be notified to us as soon as possible. You shall leave the accommodation in the same state of cleanliness and general order in which it was found. We reserve the right to retain money from the security bond to cover additional cleaning costs should the property be left in an unacceptable condition. This may include the clearing of any rubbish that has to be removed by our staff. The client and party acquire no rights whatsoever over the property excepting occupation as a holiday let for the period booked. The client shall not sub-let the property. The house must be kept locked at night and whenever unattended. The client is expected to act in a manner that would not cause unacceptable disturbance to residents in neighbouring properties.

Under no circumstances are pets allowed into any accommodation.

Swimming Pools

Great care must be taken at all times when around and using a swimming pool, if there is one for your use at the property. You remain responsible for the safety of those using the pool at all times. You are recommended to never allow small children and non-swimmers in or around the pool unsupervised, nor to use the pool under the influence of alcohol or drugs. Always familiarise all members of your party with the shallow and deep end of the pool. The pool will need to be cleaned and serviced during your stay. There will also be a pool net so you can remove leaves, etc., which may blow into the pool. When the pool engineer arrives, for safety reasons and to allow him to adequately perform his duties, the pool must not be used for the duration of his visit or if advised, for a period of time thereafter due to chemicals having been added. Please note that some engineers may arrive as early as 8.00am.

Insurance

It is a requirement that you take out comprehensive travel insurance as we cannot accept any responsibility for medical expenses, costs of repatriation, loss or damage to possessions, public liability, personal injury or any other costs, losses or damages of the kind which would be covered by a travel insurance policy. It is essential that you have effective holiday insurance cover to ensure losses on flights, other travel and accommodation. It is advised that you take additional breakdown and motor insurance if hiring a car. None of the aforementioned losses are the responsibility of Villa Club Ltd.

Passports, visas and health requirements.

For travel within the European Union British citizens need a full 10-year British passport valid for the duration of your stay, but no Visa. A full British passport currently takes about 4 weeks to obtain. If you or any member of your party is not a British citizen or holds a non-British passport you must check passport and Visa requirements with the embassy or consulate of the countries through which you are intending to travel. Information on health is contained in the Department of Health leaflet The Travellers Guide to Health & safety; available from most Post Offices. You should obtain a Form E111 prior to departure. It is your responsibility to ensure that you and all members of your party are in possession of all necessary travel and health documents before departure.

Complaints

In the unlikely event of there being a problem while on holiday you must report the problem to our local office in Almancil. Contact address and numbers will be provided on arrival. Our local representative with best endeavours will respond within 24 hours and try to resolve the problem. If the problem is not resolved to your satisfaction then you would have to put your complaint in writing to Villa Club Ltd within 28 days of your return. Disputes arising out of or in connection with this contract, which cannot be amicably settled, may (if the customer so wishes) be referred to arbitration.

If your letter of complaint is received 28 days after your return then we cannot be held responsible

Special requests.

Any requests made regarding your arrangements with us should be entered in the relevant space on the booking form when making the booking. These requests will be noted, however we regret we cannot under any circumstances guarantee a request will be met. For this reason we do not accept conditional bookings and a request does not form any part of the contract between us.
